Ms. SLAUGHTER, from the Committee on Rules, submitted a privileged report (Report No. 110-473) on the resolution (H. Res. 836) granting the authority provided under clause 4(c)(3) of rule X of the Rules of the House of Representatives to the Committee on Education and Labor for purposes of its investigation into the deaths of nine individuals that occurred at the Crandall Canyon Mine near Huntington, Utah, which was referred to the House Calendar and ordered to be printed.

The Clerk read the title of the resolution.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from New York?

There was no objection.

The Clerk read the resolution, as follows:

H. RES. 836

Resolved,

SECTION 1. GRANTING INVESTIGATIVE AUTHORITY TO COMMITTEE ON EDUCATION AND LABOR.

The Committee on Education and Labor is granted the authority provided under clause 4(c)(3) of rule X of the Rules of the House of Representatives in furtherance of the investigation by such Committee into the deaths of 9 individuals that occurred during August 2007 at the Crandall Canyon Mine (also known as the Genwal Mine) near Huntington, Utah, including the events that may have led to those deaths and into the administration of relevant laws by government agencies, including the Department of Labor and the Mine Safety and Health Administration, and into other related matters.

Mr. McKEON. Madam Speaker, on August 6, 2007, a collapse at the Crandall Canyon mine in Utah took the lives of six miners. Days later, three rescuers were lost as well. We all grieved with this tragedy, and we all share a commitment to doing what we can to prevent such an event from happening in the future.

The Education and Labor Committee has initiated an investigation into possible causes of the collapse, as well as the handling of its aftermath by the mine ownership and Federal regulators. Our committee has at its disposal
